Parents: Your Child Will Love Our After School Program

Simply put, we offer more value – for you and your child – than standard after-school programs. Dickson Taekwondo's After School Program provides two activities for the price of one: quality child care with academic support and exciting martial arts lessons.

Studies have shown that martial arts lessons can help your child improve confidence and develop the leadership skills they need to succeed in life. Most of all, they'll gain the high self-esteem that is proven to result from martial arts training.

Call now to reserve your child's spot in our exclusive After School Program!
